WOMAN'S CLUB MEETING

A special meeting of the Rochester Woman's Club will be held at the clubhouse Wednesday, July 18th. The program committee will receive dates for the coming year at this time. Also reports of the fair and supper will be read. All members are urged to attend. Auction plans will be made.

AWARDS NIGHT

The eleventh annual awards' night for Boy Scouts of Troop #30 was held at the Rochester Woman's Club, sponsors of the troop. Present for this occasion were troop committee members, parents and friends of the boys.

Mrs. Marian Church, president of the Woman's Club, received the troop charter from Mr. Everett L. Hardy, scoutmaster. Mrs. Church thanked Mr. Hardy and troop committee members for their fine job during the past year.

At one end of the hall the scouts had erected a camp scene which consisted of a table and hand basin stand made by the boys by lashing branches together as required in their scouting knowledge. There was also a two-man pup tent and a rock fireplace with a cooking pan suspended over a simulated fire.

The awards were presented to the boys in the sequence of scouting advancement--tenderfoot, second class, first class and star scout. Greenwood Hartley, Jr. received the tenderfoot badge. Donald Reed received the second class badge. Recipients of first class badges were Alton Ellis, William Hartley, James Hartley, Donald Lynch and Wayne

BASKET AUCTION HELD

Members of the Point Improvement Association, at Point Connet, held an old fashioned basket auction and sing off on Saturday night, July 14th. Wives of the members prepared baskets containing a favorite meal. These boxes were then wrapped in attractive paper and delivered to be auctioned off. In the time honored tradition, the husbands of the group bid for the baskets and enjoyed the meal in the company of the lady who prepared it. The affair proved to be a complete success with all present enjoying the old fashioned fun. Chairmen of the evening were Mr. and Mrs. Robert LeBlanc.

AN INTERESTING HISTORICAL TRIP

There are many interesting trips that can be enjoyed by people who are vacationing in the area. Plymouth is an easy trip which is short enough to be a nice ride without being a tiring one. Besides the attractions of Plymouth itself which include the Pilgrim Monument, Plymouth Rock and the Mayflower there is a lesser known picnic area which is one of the pleasantest stops that you can make. The Miles Standish Reservation is a state maintained public park with tables for picnic lunch set in a cool grove
